Overall Requirement Not Satisfied: Pre-Computer Science

Computer Science Pre-Major

(R1299)

Overall Requirement Not Satisfied: Courses used to fulfill this requirement may also be used to fulfill other requirements.

Due to the dynamic nature of the field of computer science, it is recommended that students see their advisor each semester. Prospective TRANSFER STUDENTS are highly advised to talk to UA advisor well in advance of their planned transfer in order to ensure that they are taking advantage of all possible transfer course options. This will help enable a smooth transition to the UA and a timely graduation.

Admission to the Computer Science major is competitive. Selections for major admission are made early each fall and spring semester. Students will remain in pre-Computer Science standing until they submit a major application and are formally admitted to the major.

1. In order to guarantee admission to the major, a student must have:
 - a minimum of 3.00 UA GPA
 - grades of B or better in all computer science and math courses (calculus or higher) taken at UA or elsewhere
 - at least one programming course completed at the UA
 - a minimum of 24 UA units
 - completed the entire pre-major curriculum
 - at least one math course (Calculus I or higher) completed at the UA

Students who do not qualify for automatic admission should contact the department advisor.

2. Apply for admission to the major after completing 24 UA units including the following.
